2025 Holiday Card Contest Guidelines

DESIGN GUIDELINES

1. Designs should fit a 5x7 space. Can be portrait or landscape.
 - Most of our designs are produced in a 5 1/2" x 7 7/8" format. While each entry does not need to be submitted in that exact size, it should be proportional to those dimensions.
 - Uploaded images should be high resolution
2. You must incorporate a yellow ribbon in some way.
3. Share your creativity by designing a winter holiday card that sends wishes of peace, joy, and warmth. Please focus on seasonal elements rather than holiday or religious themes
4. Artwork should be in full color. No black and white designs.
5. No use of AI
6. No words. We will add our holiday message so we suggest you leave a little space for it. See examples below where the wording was digitally added by the foundation.
7. Major focal points of the design should not go to the edge or it may be cropped. If that is part of the design like number 3 that is ok.
8. We have the right to ask for 1 or 2 edits of your design if you are a finalist.
9. We have the right to make digital edits such as adding a greeting or small details.
